The Iranian Journal of Cardiac Surgery is the official quarterly publication of the Iranian Society of Cardiac Surgeons (ISCS). The editorial board encourages submission of original papers concerned on any aspects of cardiovascular medicine including cardiac surgery, adult and pediatric cardiology, cardiac anesthesia and cardiac intensive care in the form of both basic and clinical research. Submitted articles should neither have been published previously nor be considered for publication elsewhere. Each article will be carefully reviewed by the editorial board. Additional review may be requested from the specialists in the related field. Then the corresponding author will be informed regarding acceptance or rejection of the article.

Papers in the following categories are accepted for publication in the journal:
- Guest editorial
- Original article (Basic or Clinical science)
- Review article
- Case report
- How to do it? (Presentation of a new technique of surgery or intervention)
- Letters to the editors

Interesting images, accompanied by a brief description, in the field of cardiovascular medicine will also be considered for publication. Manuscripts should either be submitted in three complete copies, including three sets of figures or in electronic format (recommended). Authors must read and observe carefully the following guidelines before sending their works to the editorial office.

1. Type all manuscripts with double spacing and wide margins on all sides of the paper. Do not use abbreviations throughout the text.

2. Divide the manuscript into the following sections: Title page, Abstract, Keywords, Introduction, Materials and methods, Results, Discussion and conclusion, Acknowledgement, References, Tables, Figures, Legends.

3. Title page must include the title of the article, which should be a descriptive one, the names of all authors and their highest scientific degrees, the institution where the study was performed, and identification of the address, telephone and fax number and E-mail of the corresponding author. Authors should also send a submission letter included statements indicating (1) that all authors have read, approved the paper and accepted its contents. (2) That no part of the manuscript has been published previously or is under review for publication at present. (3) That the authors transfer copyright to the publisher of the Iranian Journal of Cardiac Surgery.

4. Abstract of original articles should be no more than 200 words and should be structured as follows; Background or Objectives, Methods, Results, Conclusion. Abstract of review articles and case reports should be nonstructured and no more than 200 and 60 words respectively. A maximum of six key words may be added at the end of the abstract.
5- Prepare your manuscript as precise, descriptive, and conclusive as possible. For this purpose, the Introduction should be brief and set out the aim for which the study has been performed. The Materials and Methods should be sufficiently detailed so that readers can understand precisely what has been done. The Results should be presented clearly with definition of relevant positive and negative findings. The Discussion should relate directly to the study and interpret the results and their relevance as well as indicate the limitations of the study.

6- Reviews of recent developments are welcome. Materials in the Review Article should be informative, presenting the most recent advances and challenges about the subject.

7- Presentation of interesting cases which add new or important information about specific diseases and description of innovative technique of surgery or intervention will be accepted for publication as Case Report and How to do it?, respectively. Articles in these sections should have no more than three authors, 1200 words, three figures or tables and a maximum of eight references.

8- References should be numbered consecutively (in superscript) as they appear in the text. Style and punctuation of references should conform to the Index Medicus format.

9- Tables should be typed double-spaced, each with a number and title above the table and explanatory footnotes. Figures must be submitted in three sets, indicating their numbers, and be suitable for high

quality reproduction. Legends to illustrations must be typed double-spaced separately. Figure numbers should correspond to the order in which they appear in the text.

10- Send all printed manuscripts, accompanied by their electronic files on compact disc (CD) to the following address:
